

Cabinets

Regardless of the color, style or finish you choose, the cabinets in Chief® Custom Homes will complete your kitchen and bath décor and provide years of beautiful, trouble-free service because—as with everything inside one of our homes—they're built to last. More importantly, you can arrange them exactly as you need them to meet your needs. Need more drawers? No problem. Want a Lazy Susan? We can do it. The 24"-deep base cabinet provides plenty of food preparation workspace, and long life and smooth operation are ensured by heavy duty hardware, furniture-grade assembly and expert installation.
